

Title: TEAR INDICATOR FOR TAPE
App. No.: 10/714,208
Attorney Docket No.: 2547.001

Examiner: Daniel Zirker
Art Group: 1771

In the specification, please replace the paragraph at page 1, line 21, with the following:

SUMMARY OF THE INVENTION

It is an object of this invention to provide a tape that visually indicates the tear site and distinguishes the tear site from the remainder of the roll of tape. It is another object of the present invention to provide an adhesive comprising tape wherein a visible mark is made upon tearing of the tape. The tear site becomes visible upon the reaction of chromogenic material. The reaction of the chromogenic material is initiated by tearing of the tape.
